

Cobra Kayaks / Glenwa Inc. is proud to announce the release of the **ALL NEW Cobra Escape**. The Escape is the perfect sit on top kayak to throw in the water at a moment's notice for a paddle, a float, a quick fishing trip, or a sunset. Perfect for women, children, and average size men; the Escape measures a mere 10'3" in length, 31" wide, and weighs an unbelievably low 34 lbs; yet still has a 240lb capacity.

The Escape can be outfitted with Cobra's large "A" Style hatch, as well as our 10" round hatch, and has plenty of space for rod holders on the side rails as well as gear and accessories in the tank well.

All in all, the Cobra Escape is a knock out of a kayak for smaller, lighter paddlers. Extremely stable to paddle, yet nimble and easy to handle and maneuver. The Cobra Escape provides all the features of the big yaks, in a package small enough for anyone to use and appreciate.
