

Cobra Kayaks / Glenwa Inc. is proud to announce the release of the **Re-Designed Navigator**, the 2005 Cobra **Navigator-XF**.

The Navigator-XF combines the stability and speed of the original Cobra Navigator with an **ALL NEW** deck layout that is perfect for any Kayak Fishing Excursion.

- Self-Draining Footwells.
- Forward Trolling Rod Holder Positions.
- Space for the Small Rectangular Hatch in front of the cockpit, which opens easily for tackle and gear storage.
- Rear Rod Holder Positions.
- Live Bait/Bucket Well molded into the rear Tank Well.

The Cobra Navigator-XF is perfect for taller kayak anglers that are looking for the features of a larger kayak, but still want the maneuverability and ease of use of a smaller boat. At 12'6" in length and 31" wide, the Navigator-XF has a capacity of 450 lbs, while weighing in at only 44lbs, making this kayak perfect for paddlers of every shape and size.

The Navigator-XF can be outfitted with Cobra's large "A" Style hatch, as well as our Small Rectangular hatch, and has plenty of space for rod holders on the side rails as well as gear and accessories in the tank well.

**MSRP - \$664.00\***

\*( $\$664.00$  MSRP is for Bare Boat Only)
